Mr Bob Sykes
The Loloma Foundation
California, USA

Dear Bob

On behalf of the Rotary Club of Suva, Fiji, I extend to you our deepest appreciation for the work that you carried through on producing a video on our project, the Samabula Old Peoples' Home, in Suva.

I realise that the production of the video was difficult given the material that you had to work with. You will be very pleased to know, that through your efforts in producing this video and the distribution of it to 25 Rotary Clubs in the USA and Canada, our Rotary Club was able to find 6 Clubs who are prepared to provide a total of \$48,000 to purchase a 15 seater, new VAN for the Home. This VAN will be used to take residents to their clinic appointments, night staff home after duty and will at times be used as a hearse.

Again we thank you very much for your contribution through the Loloma Foundation for this success story.

May God Bless you, and the organisation, abundantly,

In Rotary Service,

Elizabeth Clayton
